The Small Grocery That is Jam Full of Good Things to Eat

We are one of the old timers in the Grocery trade of Monett and know to a certainty just what the people need. The people know that we know and they also know that we sell goods just right. The farmers also know that we pay right prices for Country Produce. Better give us a trial.

Good Things to Eat

Most of us do eating, more or less, the problem is, where to get what is pure and palatable.

Our lunches take away that hungry feeling and our Bread, Pies, Cakes, Chili and Tamales make the heart of the housekeeper rejoice.

Our Candies, Nuts and Cigars also help along the cheerful way.
